Term of Agreement**

This Agreement shall become effective, and supersede the current interlocal agreement, on October 1, 2012. This Agreement shall expire on September 30, 2017, or until a replacement interlocal agreement is executed, whichever is later.

**Section III
Scope of Work**

The parties hereto agree that the EPA is requiring as part of the NPDES MS4 Operating Permit the sampling, monitoring, and analysis of a variety of storm sewer systems throughout Miami-Dade County. The parties hereby agree that the water monitoring annual costs (Activity 1) attributable to this operating permit shall be shared by those CO-PERMITTEES who elect to participate in this Activity, and the costs shall be based on a percentage rate obtained by dividing the number of outfalls which drain to United States bodies of water existing in the geographical boundaries of each CO-PERMITTEE by the total number of outfalls existing within the geographic boundaries of all CO-PERMITTEES.

The parties further agree that the best management practices (BMP) (Activity 2) and basin management action plan (BMAP/WTW) (Activity 3) costs attributable to this operating permit shall be shared by those CO-PERMITTEES who elect to participate in these Activities, and the costs shall be based on a percentage rate obtained by dividing the roadway MS4 drainage area existing in the geographical boundaries of each CO-PERMITTEE by the total roadway MS4 drainage area existing within the geographic boundaries of all CO-PERMITTEES. These costs are included in Attachment “A” of this Agreement.

Furthermore, 40 CFR 122.26(d)(2)(i)(D) requires control of pollutants through interlocal agreements, making each NPDES CO-PERMITTEE responsible for discharges from their MS4 to the MS4 of another NPDES CO-PERMITTEE or to the waters of the United States. This Agreement sets forth the agreement of the CO-PERMITTEES and the COUNTY and between all of the CO-PERMITTEES with respect to shared responsibilities in the identification and control of discharges from one MS4 to another.

**Section IV
COUNTY’s Obligations**

1. **Compliance with NPDES MS4 Operating Permit** The COUNTY shall perform monitoring and sampling activities as required in Miami-Dade County's NPDES MS4 Operating Permit.
2. **Permits** The COUNTY shall obtain all applicable federal, state and local permits and approvals (with the exception of permits and approvals required by CO-PERMITTEES, if any, which shall be obtained by the respective CO-PERMITTEE), which are required to perform activities under the NPDES MS4 Operating Permit.

3. **Report** The COUNTY shall provide the CO-PERMITTEES with a report, on an annual basis, with the results of the monitoring and sampling activities required under the NPDES Operating Permit.

4. **Notice of COUNTY Meeting** The COUNTY shall provide the CO-PERMITTEES with oral or written notice of all regular meetings held by COUNTY staff for the purpose of reviewing the compliance status with the NPDES MS4 Operating Permit.

---

**Section V**

**CO-PERMITTEES' Obligations**

1. **Prevention of Theft of COUNTY Equipment** The CO-PERMITTEES shall take reasonable steps to prevent theft or vandalism of COUNTY equipment located within the CO-PERMITTEE'S geographic boundary. The CO-PERMITTEES agree that such equipment may be placed within each CO-PERMITTEE'S geographic boundary for extended periods of time, as necessary to complete the sampling and monitoring tasks contemplated by this Agreement and the NPDES MS4 Operating Permit.

2. **Compensation** Each CO-PERMITTEE will reimburse the COUNTY for costs of activities performed over the preceding fiscal year in accordance with Attachment “A”, and as specified in the Execution in Counterparts form for that fiscal year. The COUNTY will bill each CO-PERMITTEE annually, within six (6) months after the end of the fiscal year, for actual amounts expended during the prior fiscal year. Payment by the CO-PERMITTEE is to be made not later than forty-five (45) days after the bill presentation. Failure to pay the agreed-upon costs to the COUNTY in accordance with this Agreement shall be deemed default by the CO-PERMITTEE that fails to pay pursuant to this Agreement. The expenditures for the final fiscal year that this Agreement is valid will be invoiced by the COUNTY and paid by the CO-PERMITTEES during the following fiscal year.

3. **Access** The CO-PERMITTEES shall provide the COUNTY with reasonable access at all times as necessary to perform the sampling and monitoring required by this Agreement of any storm sewer systems which may be located within the CO-PERMITTEE’S geographic boundary.

---

**Section VI**

**Indemnification**

The CO-PERMITTEE shall indemnify and hold harmless the COUNTY and its officers, employees, agents and instrumentalities from any and all liability, losses or damages, including attorney’s fees and costs of defense, which the COUNTY or its officers, employees, agents or instrumentalities may incur as a result of claims, demands, suits, causes of actions or proceedings of any kind or nature arising out of, relating to or resulting from the performance of this Agreement by the CO-PERMITTEE or its employees, agents, servants, partners, principals or subcontractors. The CO-PERMITTEE shall pay all claims and losses in connection therewith and shall investigate and defend all claims, suits or actions of any kind or nature in the name of the COUNTY, where applicable, including appellate proceedings, and shall pay all costs, judgements.
and attorney's fees which may issue thereon. Provided, however, this indemnification shall only be to the extent of and within the limitations of Section 768.28 Fla Stat., and subject to the provisions of that Statute whereby the CO-PERMITTEE shall not be held liable to pay a personal injury or property damage claim or judgement by any one person which exceeds the sum of $200,000, or any claim or judgement or portions thereof, which, when totaled with all other claims or judgement paid by the CO-PERMITTEE arising out of the same incident or occurrence, exceed the sum of $300,000 from any and all personal injury or property damage claims, liabilities, losses or causes of action which may arise as a result of the negligence of the CO-PERMITTEE, provided further that any CO-PERMITTEE's liability hereunder shall be based on that CO-PERMITTEE's performance of this Agreement only, and no CO-PERMITTEE shall be liable for indemnification based on another CO-PERMITTEE's performance of this Agreement.

The COUNTY shall indemnify and hold harmless the CO-PERMITTEE and its officers, employees, agents and instrumentalities from any and all liability, losses or damages, including attorney's fees and costs of defense, which the CO-PERMITTEE or its officers, employees, agents or instrumentalities may incur as a result of claims, demands, suits, causes of actions or proceedings of any kind or nature arising out of, relating to or resulting from the performance of this Agreement by the COUNTY or its employees, agents, servants, partners, principals or subcontractors. The COUNTY shall pay all claims and losses in connection therewith and shall investigate and defend all claims, suits or actions of any kind or nature in the name of the CO-PERMITTEE, where applicable, including appellate proceedings, and shall pay all costs, judgements and attorney's fees which may issue thereon. Provided, however, this indemnification shall only be to the extent and within the limitations of Section 768.28 Fla Stat., subject to the provisions of that Statute whereby the COUNTY shall not be held liable to pay a personal injury or property damage claim or judgement by any one person which exceeds the sum of $200,000, or any claim or judgement or portions thereof, which, when totaled with all other claims or judgement paid by the COUNTY arising out of the same incident or occurrence, exceed the sum of $300,000 from any and all personal injury or property damage claims, liabilities, losses or causes of action which may arise as a result of the negligence of the COUNTY.

Section VII
County Event of Default

Without limitation, the failure by the COUNTY to substantially fulfill any of its material obligations in accordance with this Agreement, unless justified by Force Majeure, shall constitute a "COUNTY event of Default". If a COUNTY event of default should occur, the CO-PERMITTEE shall have all of the following rights and remedies which it may exercise singly or in combination:

1. The right to declare that this Agreement together with all rights granted to COUNTY hereunder are terminated, effective upon such date as is designated by the CO-PERMITTEE;

2. Any and all rights provided under federal laws and the laws of the State of Florida.
Section VIII
Co-Permittee Event of Default

Without limitation, the failure by the CO-PERMITTEE to substantially fulfill any of its material obligations in accordance with this Agreement, unless justified by Force Majeure, shall constitute a "CO-PERMITTEE Event of Default".

If a CO-PERMITTEE Event of Default should occur, the COUNTY shall have all of the following rights and remedies which it may exercise singularly or in combination:

1. The right to declare that this Agreement together with all rights granted to CO-PERMITTEE hereunder are terminated, effective upon such date as is designated by the COUNTY;

2. Any and all rights provided under federal laws and the laws of the State of Florida.

Section IX
General Provisions

1. Authorization to Represent the CO-PERMITTEE in NPDES MS4 Operating Permit. The CO-PERMITTEE hereby authorizes the COUNTY to act on its behalf only with respect to: the activities under this Agreement; and compliance with requirements of those monitoring, sampling, BMP, and BMAP portions under the NPDES MS4 Operating Permit.

2. Attendance at COUNTY Permit Review Meetings. The CO-PERMITTEE may, but is not required to, attend any or all regular meetings held by COUNTY staff for the purpose of reviewing the status of the NPDES MS4 Operating Permit.

3. Responsibility for Discharges. The CO-PERMITTEES shall each be responsible for the control, investigation of and remedial activities relating to discharges of pollutants from within their respective MS4 or boundaries to the municipal separate storm sewer system of another NPDES MS4 CO-PERMITTEE, pursuant to the requirements of 40CFR 122.26(d)(2)(i)(D).

4. Identification of Discharges. Both the CO-PERMITTEE whose stormwater system generates a pollutant discharge that impacts another CO-PERMITTEE’S system and the impacted CO-PERMITTEE agree to cooperate by providing the staff and equipment necessary to identify the source of pollutant discharges emanating from the separate storm sewer system of one CO-PERMITTEE to the separate storm sewer system of another CO-PERMITTEE.

5. Notification. When pollutant discharges to a shared separate storm sewer system are discovered, the CO-PERMITTEES, or COUNTY, or any of the foregoing, as applicable, which are the source of the discharge(s) agree to report said discharges to the other affected parties sharing the particular MS4. The COUNTY shall assist, as needed, in any investigation and identification of a source of the discharge. If the COUNTY discovers a discharge in the separate storm sewer system of a CO-PERMITTEE or the COUNTY, the COUNTY will investigate the source of the discharge and report its findings to the affected NPDES CO-PERMITTEES. When an investigation specifically identifies a NPDES CO-PERMITTEE as the source of a pollutant discharge, then that CO-PERMITTEE shall be responsible
for ceasing the discharge and remediating the effects of the discharge by restoring the affected MS4 in accordance with applicable standards.

6. **Dispute Resolution** When the parties sharing a MS4 cannot agree on the source of a discharge to their shared MS4, the State of Florida Department of Environmental Protection, Bureau of Watershed Management, shall be the final arbiter in determining jurisdiction and responsibility for cessation of discharge, remediation, and final resolution.

7. **Termination** Each party may terminate that particular party's participation in this Agreement without cause by providing sixty (60) days prior written notice of termination to the other parties to this Agreement. CO-PERMITTEES shall be entitled to reimbursement of monies paid to the COUNTY only in the event of termination without cause by the COUNTY, and the CO-PERMITTEE shall then be entitled to such reimbursement only to the extent that services providing information useful to the NPDES MS4 Permit have not been rendered by the COUNTY. Upon termination by any party, the NPDES MS4 Operating Permit status of that party shall be the sole responsibility of that party.

8. **Entire Agreement; Prior Agreements Superseded; Amendment to Agreement** This Agreement incorporates and includes all prior negotiations, correspondence, conversations, agreements, and understandings applicable to the matters contained herein. The parties agree that there are no commitments, agreements, or understandings concerning the subject matter of this Agreement that are not contained in this Agreement, and that this Agreement contains the entire agreement between the parties as to matters contained herein. Accordingly, it is agreed that no deviation from the terms hereof shall be predicated upon any prior representations or agreements, whether oral or written. It is further agreed that any oral representations or modifications concerning this Agreement shall be of no force or effect, and that this Agreement may be modified, altered or amended only by a written amendment duly executed by the parties hereto or their representatives.

9. **Headings** Captions and headings in this Agreement are for ease of reference only and do not constitute a part of this Agreement and shall not affect the meaning or interpretation of any provisions herein.

10. **Notices and Approval** Notices and approvals required or contemplated by this Agreement shall be written and personally served or mailed, registered or certified United States mail, with return receipt requested, addressed to the parties listed in Section I of this Agreement.

11. **Performance by Parties** Except as otherwise provided in this Agreement, in the event of any dispute arising over the provisions of this Agreement, the parties shall proceed with the timely performance of their obligations during the pendency of any legal or other similar proceedings to resolve such dispute.

12. **Rights of Others** Nothing in the Agreement express or implied is intended to confer upon any person other than the parties hereto any rights or remedies under or by reason of this Agreement.

13. **Time is of Essence** It is mutually agreed that time is of the essence in the performance of all terms and conditions to be met and performed pursuant to this Agreement.

14. **Governing Law** This Agreement shall be governed by and construed in accordance with the laws of the State of Florida and the United States. The COUNTY and the CO-PERMITTEE agree to submit to service of process and jurisdiction of the State of Florida for any controversy or claim arising out of or relating to this Agreement or a breach of this Agreement. Venue for any court action between the parties for any such controversy arising from or related to this Agreement shall be in the Eleventh
Judicial Circuit in and for Miami-Dade County, Florida, or in the United States District Court for the Southern District of Florida, in Miami-Dade County, Florida.

15. **Severability** The invalidity of one or more of the phrases, sentences, clauses, or Sections contained in this Agreement shall not affect the validity of the remaining portion of the Agreement, provided the material purposes of this Agreement can be determined and effectuated.

16. **Waiver** There shall be no waiver of any right related to this Agreement unless in writing signed by the party waiving such right. No delay or failure to exercise a right under this Agreement shall impair such right or shall be construed to be a waiver thereof. Any waiver shall be limited to the particular right so waived and shall not be deemed a waiver of the same right at a later time, or of any other right under this Agreement.

17. **Number of Outfalls** The COUNTY will review and adjust on an annual basis the number of outfalls and MS4 drainage area of each CO-PERMITTEE during the month of March for each fiscal year the Agreement is in effect. Adjustments made, if any, will be in effect for the upcoming fiscal year, to recalculate each CO-PERMITTEE’S share of the total annual costs. CO-PERMITTEES may submit relevant outfall information to be included in the review during a two month period, from January 1st to February 28th of the year immediately preceding the start of the fiscal year of the intended changes. An updated Attachment “A” shall be provided to CO-PERMITTEES annually by March 31st for budgetary purposes.

18. **Maximum Annual Costs** Each CO-PERMITTEE’S maximum (not to exceed) financial commitment under this Agreement is shown in Attachment “A”. It should be noted that the CO-PERMITTEE’S cost share may change (+/-) based on any changes made to the Number of Outfalls or Drainage Area during the annual reviews. Such changes shall be reflected in an updated Attachment “A”. Actual annual expenditures invoiced by the COUNTY for water monitoring, sampling, BMP, and BMAP activities performed, will not exceed the CO-PERMITTEE’S total annual cost shown in Attachment “A” for that fiscal year.

19. **Most Favored Nations – Price Guarantee Provision.** In the event of a price decline, or should COUNTY at any time, during the life of this Agreement, lower the costs of activities to any other CO-PERMITTEE for water monitoring, sampling, BMP, BMAP or any other activities performed by COUNTY in connection with this Agreement, then COUNTY agrees to immediately contact THE CITY OF SUNNY ISLES BEACH and extend such lower prices to THE CITY OF SUNNY ISLES BEACH during the remaining term of this Agreement.

**Totals (NOT TO EXCEED)**: 8,002 - 100.0% - 2,156,612,110

- The numbers in the table represent the monitoring costs for various municipalities and agencies within Miami-Dade County and its co-permittees for the fiscal year 2012-2013. Each municipality/agency is listed along with the number of outfalls and the percentage of total outfalls. The table also includes the municipal drainage area and the percent of total MS4 drainage area for each activity. The table further details the co-permittee's total annual cost, not to exceed.

**Note**: If a municipality or agency chooses not to participate in one or more of the activities (1, 2, or 3) described above, then sampling, modeling, or mapping may not be conducted within said municipality's or agency's service territory. The not-to-exceed amounts for each Co-Permittee and activity remain unchanged for the fiscal year shown regardless of the participation decisions by Co-Permittees.
