RE: Approval to Expend Partial Forfeiture (DOJ) Funds for the purchase of a Citywide Automatic License Plate Reading System (ALPR) and New Computer Servers for the Police Department, in an amount not to exceed $163,820.21

RECOMMENDATION:

It is recommended that the City Commission approve the expenditure of partial Federal (DOJ) Forfeiture Funds, previously awarded to the Police Department as the results of investigative participation in forfeiture and seizure cases. These funds are permissible by law to be spent for the purchases of police equipment and other law enforcement activities. It is requested that we be permitted to utilize up to $163,820.21 of said funds on deposit for such purpose.

REASONS:

The Sunny Isles Beach Police Department would use the requested funds to supplement the $86,809.14 of grant funds (COPS Technology Grant) already allocated for the purchase of a Citywide Automatic License Plate Reading System. The additional funds would be utilized to purchase three (3) police computer servers to replace the current, out of date servers.

ADDITIONAL INFORMATION:

One of the benefits of participating in and providing personnel into high intensity narcotics investigations is the sharing of confiscated proceeds for the enhancement of law enforcement. All of the attached listed items are authorized
expenditures certified by the Chief of Police and are designed towards the enhancement of law enforcement equipment.
